Fayola Jacobs is a PhD student in the Department of Landscape Architecture and Urban Planning at Texas A&M University. She completed her Master's degree in City and Regional Planning at the University of North Carolina – Chapel Hill and her Bachelor's degree in Economics at York University in Toronto. Her research interests include environmental justice, disaster management in low-income communities and communities of color, black feminisms and anti-oppression. She has a passion for teaching and mentoring. Her professional experience includes teaching at the high school and undergraduate levels, writing adult education curricula and facilitating workshops on migration and mental health.
