RECOGNITION AND AFFILIATIONS

Cultural and Disaster Action Network (CADAN) Fall 2022-Current

- The mission of CADAN is to take action that can build and integrate cultural comprehension into the work of disaster risk reduction and disaster recovery. The network also operates as a point of contact for disaster professionals in government, NGOs and non-profits, and the private sector to connect with researchers and educators from academic institutions.

William Averette Anderson Fund (BAF) Fall 2017-Current

- BAF is a nationally-recognized program that works to empower students from underrepresented backgrounds in the hazards mitigation and disaster research field.

CONVERGE Data Ambassador Fall 2022

- Data Ambassadors have committed to publishing their own data and instruments on DesignSafe, to learning about the CONVERGE and RAPID facilities and their resources, and to sharing their newly attained knowledge with other social and behavioral scientists and colleagues from other allied disciplines in the hazards and disaster field.

Betsy Moen “Walk the Talk” Award Spring 2022

- Betsy was an Associate Professor of Sociology at the University of Colorado Boulder, who died in 1993 while doing fieldwork on women’s reproductive health in India. Dr. Moen left a unique legacy of feminist scholarship and social action. Each year the department gives an award to a student whose research and service reflects this feminist social justice-oriented example.

Ford Foundation Dissertation Fellowship, Honorable Mentions Spring 2022 & 2023

- The Ford Foundation seeks to increase the diversity of the nation’s college and university faculties by increasing their ethnic and racial diversity, maximize the educational benefits of diversity, and increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

Rice University Kinder Scholar Program

Summer 2021-2022

- The Kinder Scholar program is created for researchers, post-doctoral fellows, or graduate students who conduct high quality research in Houston.

2021 Association for Public Policy Analysis and Management (APPAM) Equity and Inclusion Student Fellowship

Fall 2021

- APPAM is dedicated to improving public policy and management by fostering excellence in research, analysis, and education.

“Addressing Gaps in Housing Disaster Recovery” (MGT-464)

Fall 2021

- Certificate awarded for CO-Based Post-Disaster Housing Training
